ATU

Welcome from the President

Fáilte ón Uachtarán

Welcome to Atlantic Technological University Fáilte!

I am delighted to welcome you to the 2025 Quick Guide for full-time study at Atlantic Technological University (ATU).

This quick guide will inform students, parents and teachers about the wide range of programmes available in ATU, one of the largest multi-campus universities in Ireland.

We are very proud of our diverse range of programmes offered at our nine campuses which are spread across Galway, Mayo, Donegal and Sligo. Between our campuses, we offer more than 690 academic programmes from pre-degree to doctoral level to a population of over 26,600 learners.

We offer a rich combination of academic and research excellence, quality of life and opportunity - all of which can be experienced in the beautiful west and north-west region of Ireland. We facilitate practice-orientated study, and engaged research that seeks to address the major global challenges facing society.

If you join our ATU family, we will welcome you and provide all the guidance and support that you need to fulfil your potential.

We are dedicated to enabling sustainable economic, social and cultural development; connected to and serving our region and with a mindset that reaches far beyond it.

Your future is here.

Dr Orla Flynn

Uachtarán/President

Ollscoil Teicneolaíochta an Atlantaigh
Atlantic Technological University

Why Choose ATU

Atlantic Technological University (ATU) is a multi-campus technological university in the west and north-west of Ireland that delivers a rich combination of academic and research excellence, quality of life and opportunity. Atlantic TU has the critical mass and academic depth to attract, educate, nurture and retain talent in the west, north-west and cross-border region.

Fees

At a maximum of €3,000* per year, the Student Contribution fee is more affordable than in Northern Ireland and the UK.

*Fees are normally €3,000, reduced to €2,000 in 2023 and are subject to change.

Grants

Northern Irish students can apply for a fee grant through SUSI (www.susi.ie). If you qualify for a fee grant, then SUSI will pay the Student Contribution Fee. Unlike student loans, fee grants do not have to be paid back.

Loans

Applicants from Northern Ireland can secure support to cover costs of studying in the Republic of Ireland. Contact the Local Education and Library Board or visit the websites below for more information:

www.slc.co.uk

www.studentfinanceni.co.uk

CAO Application

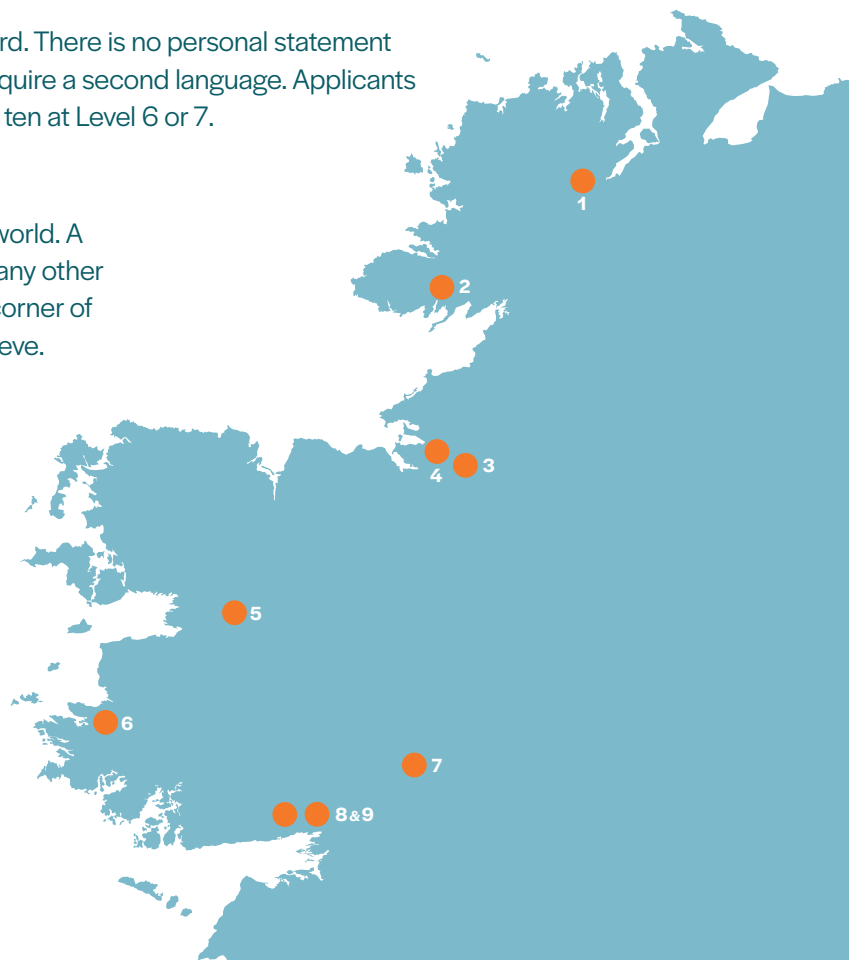

The CAO application process is very straightforward. There is no personal statement required in the application process. ATU do not require a second language. Applicants can choose 20 courses in total - ten at Level 8 and ten at Level 6 or 7.

Worldwide Degree

A degree from ATU can take you anywhere in the world. A degree from ATU is equal to that of a degree from any other university. ATU has graduates employed in every corner of the globe - there are no limits to what you can achieve.

- 1 ATU Donegal Letterkenny

- 10 Research Centres
- 8,000+ Graduates Annually
- 26,600+ Students
- 2,500 Total Staff

Find out more on www.atu.ie/cao

Entry Requirements

Each year we are proud to welcome a new cohort of Northern Irish students. With a top-class education guaranteed, a simple application process and all the financial benefits that come along with it – we can see why more and more Northern Irish students are choosing Atlantic Technological University. Students from Northern Ireland and UK who are considering going to university in the Republic of Ireland, and who wish to start at first year, should make their application via the Central Applications Office, more commonly known as the CAO – www.cao.ie

The CAO application system is different from the UCAS system. There is a video guide, an online tutorial and mock application form on the CAO website. New users may find it helpful to use these to familiarise themselves with the CAO system and to practice making an application before submitting the actual application.

An award at Level 3 on the UK framework is the minimum entry standard for year 1.

Standard NI/UK applicants

Standard applicants are those presenting a combination of GCSE/GCE awards only. This is the most clear-cut entry pathway.

Non-standard NI/UK Applicants

Awards other than GCE/GCSE combination are regarded as non-standard and are not included in CAO centralised automated processing. If an applicant is including NI/UK awards, other than the standard GCE/GCSE combination as part of an application, supporting documentation will be needed. Details of the alternate qualification(s) should be supplied to CAO.

For more detailed information on NI/UK entry requirements check out the ATU Prospectus.

Access NI Course

The Access NI course is available to support students who may struggle to matriculate to ATU via the normal CAO process.

The Access NI course provides the following benefits:

- Gives direct entry to multiple undergraduate degree programmes available at ATU*
- Aimed at students who are studying a mixture of A-levels and other awards such as BTEC's
- FREE of charge - no cost to the student participant
- Delivered ONLINE – 2 evenings per week
- Begins in spring
- A standalone 30 credit qualification - a level 6 qualification which equates to a level 4 programme in NI.

For more information or to request an application form please contact christina.cuffe@atu.ie.

*Some programmes have quotas or are exempt from applications.

Key CAO Application Dates

Date	Time	Activity
Early November	12:00 noon	CAO online application facility opens
20 January	5:00 pm	Deadline for online discounted applications
1 February	5:00 pm	Normal closing date for applications
Early March	12:00 noon	Late application facility opens
1 May	5:00 pm	Closing date for late application
Early May	12:00 noon	Change of Mind facility opens
1 July	5:00 pm	Change of Mind facility closes

CAO points are assigned to the exam grades presented by candidates who meet the minimum entry requirements. Below is our point scoring system.

From 2019 Technological Universities & Institutes of Technology (other than DkIT)		
Grade	First 3 A-Levels	A S Levels (& 4th A-Level where presented)
A*	185	74
A	156	62
B	131	52
C	106	42
D	84	34
E	63	25

Please note:
A-level scoring will be revised for 2025 entry through the CAO. For more information please visit www.cao.ie or email admissions@atu.ie

BTECs – Matriculation

Extended Diploma	Diploma	90 Credit Diploma	Subsidiary Diploma	Indicative Score
D*D*D*				390
D*D*D				371
D*DD				351
DDD				332
DDM				293
DMM	D*D*			254
	D*D			234
MMM	DD			215
		D*D*		185
MMP	DM	D*D		176
		DD		156
MPP	MM	DM		137
			D*	117
PPP	MP	MM	D	98
		MP		78
	PP		M	59

For pre 2010 BTECs a National Certificate is the lowest acceptable award.

Each module is scored, pass 1, merit 2, distinction 3. The total score is then derived using the following formula.

$(\text{Sum of scores/number of modules} \times 3) \times 390$

Galway City

Cathair na Gaillimhe

Galway is a cosmopolitan city that is world-renowned for its friendliness and community vibrancy. It is enriched with energy, amazing nightlife, a booming music scene and a fantastic schedule of annual festivals.

ATU Galway City, Dublin Road

ATU Galway City's building on the Dublin Road is one of Galway's iconic landmarks due to the three distinctive sail-shaped copper panels at the front of the main building. It offers undergraduate and postgraduate programmes in business, science, computing, engineering, culinary arts, hospitality, tourism and heritage.

ATU Galway City, Wellpark Road

ATU Galway City's building on the Wellpark Road is located even closer to Galway City centre. The location is a hive of creative activity and is home to several creative enterprises. It offers programmes in design, art, film and documentary, creative media and storytelling, animation and game design, teaching (art, design and graphics), and design (product design, interior design, graphic design and illustration, textiles and fashion design).

An Energetic City

A prominent gourmet destination, Galway offers everything from Michelin-star dining and contemporary restaurants to quirky cafés and street food. Trendy cocktail bars, traditional Irish bars and late-night venues with international artists, ensure you will always find a lively night out. With several cinemas to choose from alongside weekly arts and cultural events, quiet night options are plentiful too. Just a short distance from the city centre is Salthill. Overlooking Galway Bay, this famous seaside resort is perfect for a fun afternoon, a day at the beach or a leisurely stroll along the promenade.

Accommodation

There are several purpose-built student villages located close to ATU Galway City. Students may also choose from numerous digs and private rental options. For more information on all the accommodation options, please contact the Students' Union at www.atustudentpad.ie

Sports Facilities

A modern on-campus sports hall offers a wide variety of sports ranging from basketball to badminton and cricket to cheerleading. Our state-of-the-art High-Performance Unit (HPU) facilitates programmes for elite level athletes, whilst a fitness studio offers daily exercise classes. Outdoors, we have a GAA pitch with access to additional pitches locally. We also have arrangements made with several sports clubs. This means our students have access to facilities including FAI approved 3G Astroturf and grass pitches at Mervue United AFC, a fully floodlit GAA facility at Liam Mellows GAA Club and a 200m five lane synthetic running track at O'Sullivan Park.

For more information, please visit atu.ie/CAO

Connemara

Conamara

Located in the beautiful village of Letterfrack, ATU Connemara is the National Centre for Excellence in Furniture Design and Technology. Renowned for its live traditional Irish music, Letterfrack is also surrounded by beautiful coastal destinations.

ATU Connemara

ATU Connemara is located along a stunning coastline just over an hour from Galway City. The campus is home to over 200 students, studying a range of degrees in furniture design and technology. The campus boasts state-of-the-art workshop facilities with the most advanced machinery and computer technology.

Great Location

There is an excellent choice of places to eat and drink in Letterfrack including cosy pubs, restaurants, coffee shops and a hotel. Clifden, which is often referred to as the capital of Connemara, is only 15 minutes away and is the largest town west of Galway City. This thriving town is home to shops, cafés, fine dining restaurants and lots of quaint Irish pubs. There are regular bus services to Letterfrack, with daily connections to Clifden and Galway City available.

Incredible Beauty

Letterfrack is overlooked by the majestic Diamond Hill and Connemara National Park. This park covers almost 3000 hectares of scenic mountains which are part of the famous Twelve Bens range. The main entrance to Connemara National Park is in the village and is the starting point for an array of stunning walks. Beautiful coastal destinations such as Inishboffin and Cleggan are also within easy access of Letterfrack.

Accommodation

Purpose-built student accommodation, Áras Ghuaire, is located within one-minute walking distance of ATU Connemara. To contact Áras Ghuaire please go to www.letterfrackaccommodation.com To find out about private rental and digs options, please contact the Students' Union at www.atustudentpad.ie

Sports Facilities

Students have access to local sports facilities including a grass football pitch, floodlit AstroTurf pitch, fully equipped gym and a tennis court. Those looking to explore the great outdoors have a vast range of options to choose from, with pursuits available on land and sea. Scenic walks and cycles, horse riding, angling and sea swimming offer ideal opportunities for relaxation. The more adventure orientated individual may find the perfect option in mountain climbing, abseiling, surfing, windsurfing or scuba diving.

For more information, please visit atu.ie/CAO

Mayo

Maigh Eo

With a population of over 12,000, Castlebar is one of Ireland's fastest growing towns and home to ATU Mayo. Whether you want to immerse yourself in an energetic town or explore beautiful countryside, Castlebar offers an unforgettable student experience.

ATU Mayo

ATU Mayo offers programmes in nursing, social care, early childhood education and care, psychology, outdoor education, and history and geography at undergraduate and postgraduate level. In 2011, it became the first third-level education campus in Ireland to be awarded Green Campus status.

A Bustling Town

Castlebar is a shopper's heaven, with unique boutiques, high-street brands and everything in between. Food options range from quirky cafés to award winning restaurants, so there is something to suit every taste. Also, be sure to check out one of the weekly farmers markets. Established musicians' frequent pubs, late bars and cocktail bars for those looking to dance the night away. For a quieter night out, a luxury seven screen cinema has all the latest blockbusters. The Royal Theatre and Event Centre, a leading entertainment venue in the west of Ireland, regularly plays host to top music artists, comedians, plays and major events.

Beautiful Setting

The stunning grounds of Turlough Park and the nature trail at Raheens Wood are the perfect settings to get away from it all, whilst a range of water sports on Lough Lannagh offer a chance to try something new. Croaghmoyle and Nephin mountain ranges provide fantastic opportunities for hillwalking, mountain hiking and exploration. Regular bus services mean the award-winning seaside town of Westport is within easy reach. Alternatively, hop on a bike and explore The Great Western Greenway which extends from Castlebar onwards to Westport.

Accommodation

There are numerous accommodation options within easy access of ATU Mayo. These include private rentals, digs and purpose-built student accommodation. For more information on accommodation please contact the Students' Union at www.atustudentpad.ie

Sports Facilities

On-campus sports facilities include an indoor climbing wall, soccer pitch and running track. Students also have access to a range of local facilities. These include an eight-lane pool at the Lough Lannagh leisure complex, indoor courts at Castlebar Tennis Club and boxing facilities at Castlebar Boxing Club. ATU Mayo is recognised as one of the leading institutes in the country for outdoor adventure activities. Beaches, rivers and mountains provide the perfect environment for a range of outdoor activities.

For more information, please visit atu.ie/CAO

Mountbellew

An Creagán

Home of the first agricultural college in Ireland, Mountbellew is a growing market town located 45 kilometres from Galway City. This busy town is where students spend their first two years of study before attending ATU Galway City in Year 3 and Year 4.

ATU Mountbellew

ATU Mountbellew offers degrees in agri-business and agri-science where students spend the first two years of study and attend ATU Galway City on selected days per week. Agri-engineering students are based in the ATU Galway City, Dublin Road campus and attend ATU Mountbellew for scheduled classes.

A Busy Town

With a population of almost 1,000, Mountbellew has several shops, small businesses, restaurants and coffee shops. Local pubs regularly host live music and entertainment, with a warm welcome ever-present. Daily bus services to Galway ensure the energetic city is never too far away.

Charming Countryside

Mountbellew Demense includes a wooded area with forest walks and picnic areas. The Demense loop trail is a 2.2km walk or cycle trail which navigates through trees and flora. The area is also home to a wide diversity of wildlife species, whilst Mountbellew Lake is a sanctuary for waterfowl including ducks, pheasants and swans. The area is also filled with interesting historical buildings such as old walled gardens, a flour mill, a boat house and a forge.

Accommodation

There is a range of private rental and digs accommodation available to ATU Mountbellew students. The accommodation service for ATU Mountbellew is provided by the Students' Union office. For more information on accommodation options please contact the Students' Union at www.atustudentpad.ie

Sports Facilities

Students have access to a range of local sports facilities at Moylough Sports Ground. These include a GAA pitch, soccer pitch, handball alley and a tennis court. Gym facilities can be found at Mountbellew Fitness Centre, whilst Mountbellew Golf Club is home to an 18-hole golf course. Natural facilities allow for several outdoor options, ranging from fishing on the River Shiven to cycling the Demense loop trail.

For more information, please visit atu.ie/CAO

Donegal

Dún na nGall

Donegal is renowned for its stunning beaches, scenic walks, lively towns, welcoming atmosphere across the county, and not forgetting the most beautiful accent in Ireland. ATU Donegal has two campuses, one in Letterkenny and another in Killybegs.

ATU Donegal

ATU Donegal is a modern campus with leading edge facilities paired with academic excellence. We offer 57 CAO programmes and over 40 postgraduate programmes across three faculties and ten departments. We have a student population of 5,000, the majority of whom study at ATU Donegal on a full-time basis which makes for a vibrant on-campus atmosphere. Our lecture class sizes are small in comparison to some larger universities which provides a real sense of community and collaboration between students and lecturers. All of this makes for a brilliant student experience and it's easy to see why ATU Donegal is attracting more students than ever before.

ATU Donegal Letterkenny

Letterkenny is a lively town, offering excellent shopping, a vibrant nightlife and great opportunities for part-time work, sport, culture and fun. There are plenty of much-loved student haunts to choose from, with a selection of pubs, music venues, nightclubs and restaurants. There is also an 8-screen cinema and Aura Leisure Complex, which has a 25m pool, tartan track and gym. Arts and cultural enthusiasts will enjoy the local theatre, An Grianán and a Regional Cultural Centre which incorporates an art gallery, an auditorium and full cinema facilities. There really is something for everyone.

ATU Donegal Letterkenny Campus includes the following facilities:

- Educational and support facilities, including general purpose and specialised teaching facilities, research facility, administrative, technical, and academic staff accommodation, library, four dining areas/restaurants, meeting rooms and lecture theatres
- An Dánlann: sports/student services building comprising large sports/assembly hall, fitness suite, changing facilities, students' union and student services centre, dining facilities and storage space
- External Sports Facility: floodlit sand-based natural grass playing pitch

ATU Donegal Killybegs

The Killybegs campus is located in Ireland's premier fishing port which is rich in tradition and heritage. Its picturesque location boasts spectacular scenery and harbour views, surrounded by breathtaking beaches and close to Europe's highest accessible sea cliffs – Sliabh Liag. Students experience small class sizes and a personal approach to learning in a comfortable and welcoming setting. The campus has an impressive reputation for delivering exceptional academic programmes in culinary arts, hospitality and tourism.

Sport and Sports Facilities

ATU Donegal's sporting teams compete in higher education and university competitions throughout the sporting calendar. The men's and ladies' sports teams have grown from strength-to-strength under the leadership of Michael Murphy, Head of Sport at ATU Donegal. In addition to competitive sports the campus offers health and fitness advice, recreation courses, wheelchair sport and community activities. The ATU Donegal gyms are located in both our Letterkenny and Killybegs campuses. The gyms are free-to-use for all students and they offer daily exercise classes to students who like to train within a small group setting. Current facilities include an on-campus floodlit pitch and indoor training facility, multi-purpose sports centre and a modern fitness suite.

Accommodation

Donegal is one of the most affordable regions to live, work and travel around. The cost of living is considerably lower than the national average and the region offers a variety of affordable student accommodation. There is no on-campus accommodation, however, there are options for digs, houses to rent on a shared basis, and in Letterkenny there are also a number of apartment complexes built specifically for the student market. Both campuses are quite central and most accommodation is within 10 minutes walk of each of the campuses.

For more information, please visit atu.ie/CAO

Sligeach

Sligo combines a vibrant urban centre with stunning natural beauty. The perfect setting for an unforgettable student experience. With an added community feel throughout, it's easy to see why Sligo is such a popular university destination.

ATU Sligo

This 72-acre campus combines modern buildings, state-of-the-art facilities and landscaped grounds. A bright, contemporary feel runs through everything from the lecture halls to the library, and cafés to chill-out zones. This Green Flag campus is also home to Sligo's only Starbucks. Almost 10,000 students study full-time, part-time or online with ATU Sligo, with programmes available from higher certificate Level 6 up to PhD Level 10. A focus on practical learning, real life and collaborative projects, industry visits, guest speakers and work placements ensure students get the best education possible.

ATU St Angelas

This is perhaps the most scenic campus in the country and just minutes away from Sligo Town centre. Over 1,600 students study full-time, part-time or online with ATU St Angelas. Programmes are delivered across a range of disciplines, from certificate Level 7 up to PhD Level 10.

Students experience small class sizes and a personal approach to learning. There is a balance of theory and practical across all programmes to enhance skills ahead of real-world placements. Students enjoy a learning experience that will empower them on a personal and professional level to ensure their high employability on graduation.

A Vibrant Town

From sushi, vegan and tapas to Mexican, Italian and Thai, Sligo's thriving culinary scene ensures there is something to suit every taste and budget. There are nightlife options for every mood, so whether you are looking for a traditional Irish pub or a trendy cocktail bar, a live music venue or an energetic nightclub, you will find it here. Sligo is also home to a ten-screen cinema and a diverse range of arts, cultural and entertainment options. For the shopping enthusiast, independent shops are nestled in between popular high street brands, catering for everything from clothes to computers and vintage to vinyl.

Stunning Surroundings

World class beaches at Strandhill and Rosses Point or the tranquil beauty of Lough Gill provide the perfect place to get away from it all. Sligo's rural landscape includes the world-famous Benbulbin Mountain, the Queen Maeve trail on Knocknarea, woodland walks, megalithic sites, beautiful wilderness and so much more. Sligo's stunning location also lends itself to outdoor options ranging from golf, water sports and horse riding to hill walking, mountain biking and cycling.

Accommodation

With a diverse range of options available, Sligo has the perfect accommodation to suit every individual. The cost of student accommodation is also much more affordable than many of Ireland's other university towns and cities, with this also reflected in the cost of living. There are several purpose-built student villages in Sligo, all within easy access of both campuses. Some student villages offer a laundry service, whilst others have smart TV's and free Netflix. Digs accommodation and private rentals are also popular choices with students. Whilst most students live close to campus, some choose the hustle and bustle of Sligo town centre or the stunning natural beauty of Strandhill or Rosses Point.

Sports Facilities

At the centre of our campus sports facilities is the Knocknarea Arena. This sporting hub is home to a multi-purpose sports hall, state-of-the-art fitness suite and specialised exercise studios. Outdoors, students have access to an international standard eight-lane tartan-surface running track with throwing and jumping facilities. Our 3G Astroturf pitch is fully floodlit, whilst our fully floodlit grass pitches include a championship standard GAA pitch and FAI certified soccer pitch. Off-campus, students can avail of various sporting facilities at heavily discounted rates. These includes a 25m indoor heated swimming pool at Sligo Regional Sports Centre plus a variety of indoor and outdoor courts at Sligo Tennis Club.

For more information, please visit [atu.ie/CAO](https://www.atu.ie/CAO)

Student Life and Student Supports

As a multi-campus university, ATU offers students a diverse range of unforgettable experiences, whilst ensuring they are fully supported throughout their academic journey.

Clubs and Societies

Joining a club or society is a great way to meet people with similar interests, try out something new or pursue your passion. We encourage students to join at least one club or society, and with a huge variety to choose from, ATU has something for everyone.

Students' Union

As soon as you become an ATU student, you automatically become a member of a Students' Union (SU). These are democratic organisations run by students, for students. Whilst they organise lots of fun events throughout the year, the Students' Union are also a valuable source of support and campaign on important issues facing students.

Sport for All

Our belief is that sport is for everyone. We understand the positive impact it can have on an individual's physical and mental health. That is why we have a wide range of activities to suit everyone. Whether you are an elite level athlete, a talented amateur or someone who is looking to keep fit and healthy, we have something to suit all abilities and interests.

Student Experiences

The opportunity to translate academic knowledge into a hands-on employment experience is why ATU are so passionate about work placement. We also encourage students to consider the option of spending a year, a semester or even a small part of a semester abroad at one of our partner institutes across Europe and the world

Academic Supports

We have invested heavily in our learning facilities to ensure our students are fully supported throughout their academic journey. Our dedicated libraries, learning support tutors, maths support centres, academic writing centres and technology services offer innovative and friendly support to our students. Our student success teams help ensure students have an enjoyable and successful time at ATU, while our careers teams are passionate about finding everyone a career and future they will love.

Student Supports

Our student supports teams help with any concerns or worries you may have in a confidential and sensitive manner. Our access offices are here to support students who may have special learning needs, disabilities or any circumstances which might need individual consideration. Our health service teams are made up of doctors, nurses, counselling, and well-being services. The chaplaincy service supports students in their personal and spiritual growth during their time at ATU. The chaplaincy service is available to students of all faiths and those who have none.

Meet our Students

Georgia McLaughlin

BA (Hons) in Fashion with Promotion

Georgia started her university journey in Northumbria University, having studied her A-Levels in St. Mary's College in Derry, she chose to study the BA (Hons) in Fashion with Marketing in Newcastle. In the first year of the degree programme, Georgia began to miss home and decided to leave the programme in Newcastle. It was at this time that Georgia connected with a teacher from St. Mary's who recommended that she consider the BA(Hons) in Fashion with Promotion at ATU Donegal. Georgia added, "I don't think I was ready to make the move to the UK, life is very different there, when I returned home, I quickly learned that ATU had a similar programme, and I made my application. Now in my final year, I have had the most incredible experience in the Donegal university campus. The hands-on learning, the guidance and one-to-one support you receive is second to none! I would highly recommend studying in ATU, you can apply for student finance support, and it's so close to home. I am now applying for Buying and Merchandising positions with a number of fashion houses, but my degree allows me to explore a wide variety of careers in the fashion industry, it has been an incredible experience."

Cathal Mc Bride

BSc (Hons) in Computing

Cathal always had a passion for technology. When he started researching degrees, he focused on gaining a wide knowledge base. Cathal commented, "I started to look towards computing and the degrees in ATU Sligo provided the widest range of modules. The common entry first year was also a big positive. The CAO application process was very simple, far simpler than UCAS and no personal statement required. The fees are also a big factor to consider. They are much less than in Northern Ireland and the UK. When you consider the costs across three or four years, it can be a sizeable amount. Throughout my studies, I enjoyed the variety of modules and the practical learning in state-of-the-art facilities. The work placement and industry-based project were two of my degree highlights. ATU degrees are also recognised worldwide. I now work as a System Engineer at IP Performance in Bristol, England. I am surprised that more Northern Irish students are not studying in the Republic of Ireland. However, I can see this starting to change, and as somebody who took this path, I can see why."

Somhairle Mathers

BSc (Hons) in Agriculture

Somhairle Mathers studied his A levels at Cross and Passion College, Ballycastle. He knew he wanted to study a BSc (Hons) in Agriculture but was unsure where he wanted to go. “I had several places to visit in the north and in the south of Ireland and I did go to different college open days. However, out of all the open days I went to ATU stood out the most for me and I immediately knew that this was where I wanted to go.” Somhairle is on the ATU Hurling team and had received a sports scholarship which had lots of benefits financially, as well as free physio, gear and gym programs. He has also joined the Ag society as well as ‘An Cumann Gaeilge’, as he is fluent in Gaeilge.

When asked about his time to date at ATU Somhairle said, “I have made lots of new friends from social events in the town as well as within my programme and my sporting activities. I enjoy the regular hands-on practical’s, both on different farm enterprises as well as the science lab practical’s in the university. ATU has a wide range of facilities such as the gym, library, curve and sports playing fields which are all free to use when I need them. I would highly recommend that you check the university out online as well as coming to the open days.”

Enya Mellon

BA (Hons) in Interior Architecture and Design

Growing up Enya was interested in art and design subjects. When making her CAO choices, she researched degrees in the Republic of Ireland and ATU Sligo’s BA (Hons) in Interior Architecture and Design really caught her attention. Enya commented, “The CAO application process was so stress-free compared to the UCAS system, with no personal statement required. One massive advantage to studying in the Republic of Ireland are the fees. They are so much cheaper than Northern Ireland and the UK, and there are lots of grant options available. I really enjoy the variety in my degree. My favourite modules are Design Realisation and Studio because you can really bring your ideas to life. The Year 2 fieldtrip to Stockholm has been another highlight of my studies. Now in Year 3, I am completing a full year of work experience in Belfast as part of my sandwich year of study. For any Northern Irish students thinking about applying through the CAO, I would advise them to do it. Applying is one of the best decisions I have ever made and has opened so many opportunities for me.”

Séarlait Corry

BA in Law with Criminal Justice

Séarlait Corry choose to study at ATU after attending an open day and seeing first hand everything the university had to offer. When asked what she is enjoying most about studying the programme at ATU, Séarlait said “The best part of doing Law in ATU is getting to partake in mock trials in the Local Courthouse. Because we have Barristers and solicitors as our Lecturers, we have the opportunity of using the courthouse and getting to learn from real life professionals (which is definitely my favourite part of the programme)”.

.. Not everyone with these points got an offer

N/O No offer made in Round 1

Find out more

Whether you want to attend an open day, take a campus tour or talk with a member of our team, there are lots of ways we can help you get all the information you need.

Open Days and Events

There is nothing quite like spending a day experiencing university life before you even get started. Open days are a great way to meet lecturers, staff and current students.

Location	Date	Time
ATU Galway City		
Creative Pathways Open Day (Wellpark Rd campus)	Tuesday 22nd October 2024	10am - 2pm
Open Day (Dublin Rd campus)	Saturday 30th November 2024	10am - 1pm
Open Evening (Dublin Rd campus)	Thursday 23rd January 2025	6pm - 8pm

Contact us

Our experienced team are here to support students, parents, guardians, teachers and guidance counsellors. They can answer questions on programmes, accommodation, entry requirements, pathways and lots more. The team will also work with schools to arrange visits, talks, career events, subject-specific workshops, taster days and much more.

Campus Tours

If you can't make one of our open days or scheduled events, you can contact a member of our team to book a campus tour. We offer campus tours throughout the year. A campus tour is ideal for students who are considering studying at ATU. Family and friends are also encouraged to come along on the tour.
