# Welcome to our Open Day!

Our ATU Mountbellew open day will feature informative talks on our CAO courses in **Agri-Business, Agri-Science, Agri-Engineering** and guided tours of our two college farms. During the tour, you'll gain insights into the **Teagasc Signpost** programme. While you're here, don't miss the opportunity to drop by the gym, to check out our interactive displays, including driving simulators, a calf and milking simulator, CAD, and 3-D scanning and printing demonstrations.

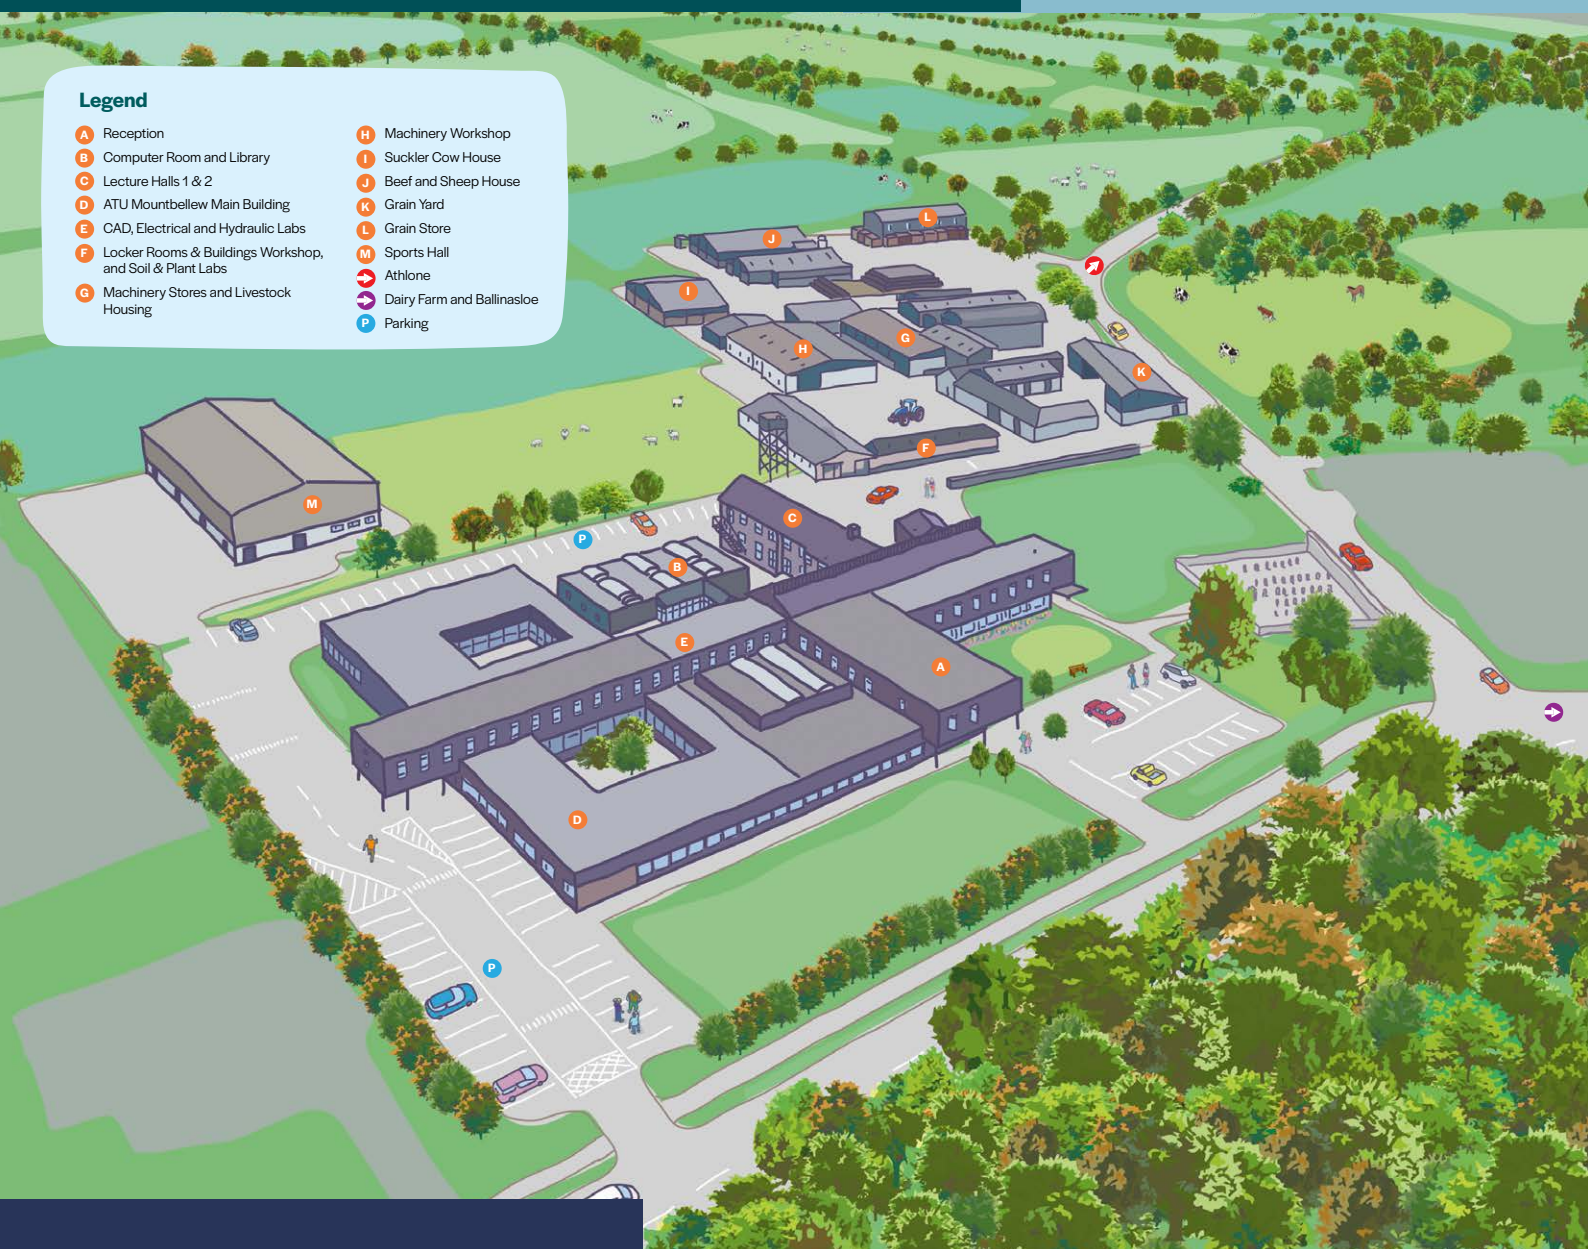

Don't miss the opportunity to drop by the gym, where you can connect with representatives from ATU's Access and Participation Office, Student Services and Students' Union. And if you're interested in financial aid, SUSI will have an auto-run presentation available as well.

Refreshments are available for purchase from our newly opened *Calf and Cow Calfé*.

**Enjoy your day!**

## Legend

- |   |                                     |
|---|-------------------------------------|
| <b>A</b> Reception  | <b>H</b> Machinery Workshop         |
| <b>B</b> Computer Room and Library                                | <b>I</b> Suckler Cow House          |
| <b>C</b> Lecture Halls 1 & 2                                      | <b>J</b> Beef and Sheep House       |
