Welcome to Atlantic Technological University Fáilte!

I am delighted to welcome you to the 2024 Quick Guide for full time study at Atlantic Technological University (ATU).

This quick guide will inform students, parents, and teachers through the wide range of programmes available in Atlantic TU, one of the largest multicampus universities in Ireland.

We are very proud of our diverse range of programmes offered at our campuses in Connemara, Donegal, Galway City, Mayo, Mountbellew, and Sligo. Between our campuses, we offer 600 academic programmes from pre-degree to doctoral level to a population of 23,500+ learners.

We offer a rich combination of academic and research excellence, quality of life and opportunity – all of which can be experienced in the beautiful west and north-west region of Ireland. We deliver practice-orientated study, and research that seeks to address the major global challenges facing society.

If you join our ATU family, we will welcome you and provide all the guidance and support you need to fulfil your potential.

We are dedicated to enabling sustainable economic, social and cultural development; connected to and serving our region and with a mindset that reaches far beyond it.
