12.	Rationale for Changes:	<p>The Higher Certificate was originally validated as an exit award only. The school's strategy, given declining student numbers, is now such that it wishes to be in a position to offer a level 6, 7 and 8 suite of programmes on the CAO. This will provide greater choice and flexibility for prospective students.</p> <p>In addition, the current title of the level 6 award is not reflective of the content. The proposed name aims to more clearly articulate the level achieved by graduates in the discipline. The programme is structured so that the focus in years 1 and 2 are on operations, with a movement to concentrate on management in the final two stages.</p>
13.	Overview of Changes:	<p>Amend the title of the Level 6 award as follows: Existing title: Higher Certificate in Business in Event Operations with Public Relations Proposed title: Higher Certificate in Business in Event Management Operations</p> <p>Approve the Higher Certificate as an entry point as well as an exit award.</p>
