Important Information

1. **Data Protection Regulation:** We are unable to discuss a student's fee liability/payments/registration status with a parent/guardian/employer unless the student has provided prior written consent to the fees collection office.
2. Students who have applied for a **SUSI grant** must enter their grant application number in the box provided when registering online for 2024/2025. They do NOT need to send their SUSI application number to Fee Collection, unless requested to do so. Students who are unsuccessful in a grant application are liable for any unpaid fees and therefore we advise that fees are paid, and we will refund them, as appropriate, where the grant application is successful.
3. **Material fees are NOT covered by Payment Plans or SUSI grant and these fees are payable in full by Oct 31, 2024. * Non/overdue payment of your Material fees may result in a Library/Exam Results Access Restriction being applied to your record.**
4. Students who have a recognised Sponsor are liable for any unpaid fees should the Sponsor default on payment.
5. Students who wish to leave ATU within the Academic Year must contact their Head of Department to discuss and complete a Withdrawal form. *Please contact your School to arrange this, not Fee Collection.*
6. Students who withdraw from ATU *after the 31st of October** may have a fee liability and should contact their Fees Office to check any fee liability if in this situation. **Exceptions apply to this date for ACCA programmes and programmes offered by the Lifelong Learning Centre. This may affect your future tuition fee liability if you decide to return to college.*
7. Students on short courses with fees of €500 and under must pay 100% of their fees at registration or 2 instalments of 50% fees for that course.
8. For stand-alone modules which run over one Semester only, the module fee must be paid in full by the end of the Semester in which the module is undertaken.
9. International students must pay their fees in full in advance of commencing their course.
